

Press release

Appointment

London, 3rd April 2023 – Amundi announces the appointment of Benjamin Lucas as Chief Executive Officer of Amundi Technology, effective 3rd of April. He is member of the Executive Committee of Amundi.

Benjamin Lucas, Chief Executive Officer, Amundi Technology

Benjamin Lucas joins Amundi from KPMG, where he was the UK Head of Asset Management, and the global head of Asset Management consulting. Ben has extensive experience in the transformation of financial institutions, focusing on innovation and technology.

About Amundi

Amundi, the leading European asset manager, ranking among the top 10 global players¹, offers its 100 million clients - retail, institutional and corporate - a complete range of savings and investment solutions in active and passive management, in traditional or real assets. This offering is enhanced with IT tools and services to cover the entire savings value chain. A subsidiary of the Crédit Agricole group and listed on the stock exchange, Amundi currently manages more than €1.9 trillion of assets².

With its six international investment hubs³, financial and extra-financial research capabilities and long-standing commitment to responsible investment, Amundi is a key player in the asset management landscape.

Amundi clients benefit from the expertise and advice of 5,400 employees in 35 countries.

About Amundi Technology

Amundi Technology is the entity dedicated to technology products and services for all actors in the savings and asset management industry. Through the ALTO* solution, it offers Portfolio Management System, Discretionary Portfolio Management and Advisory platform and savings software as well as specialised solutions. Amundi Technology gathers nearly 900 professionals in two main hubs, Paris and Dublin, and teams in 19 countries.

Amundi, a trusted partner, working every day in the interest of its clients and society
